In order that the Association can monitor compliance by these third parties with Data Protection laws, the Association may require the third party organisations to enter in to an Agreement with the Association governing the processing of data, security measures to be implemented, and responsibility for breaches. This will only apply in situations where the third party is a joint controller.

11.5.2 propose any other variations to this Addendum which the Association reasonably considers to be necessary to address the requirements of any Data Protection Law.

Severance

11.6 Should any provision of this Addendum be invalid or unenforceable, then the remainder of this Addendum shall remain valid and in force. The invalid or unenforceable provision shall be either (i) amended as necessary to ensure its validity and enforceability, while preserving the parties' intentions as closely as possible or, if this is not possible, (ii) construed in a manner as if the invalid or unenforceable part had never been contained therein.
