

Gardeen Annual General Meeting 2022

Gardeen Housing Association held its 33rd Annual General Meeting on Wednesday 13 September 2022. This was held in person for the first time in two years at the Barlanark Community Centre. 25 members were welcome to the meeting, representing a third of the membership.

The annual accounts for 2021-2022 were presented and members were updated on the performance of the Association and the plans for the future.

In a consultation exercise, members ranked investment in homes as their priority and preferred to contact the office by phone.

Members asked questions on planned maintenance and repairs. The meeting closed following a raffle and fish suppers.
