

Easterhouse Housing and Regeneration Housing Alliance (EHRA) hosts Tour of Greater Easterhouse for SFHA and Scottish Government.

EHRA Greater Easterhouse Tour: May 2025
EHRA Committee Members and staff, SFHA and Scottish Government.

On Friday 30 May 2025, EHRA welcomed Louise McDonald, Director General of Communities, Scottish Government, Sarah Doherty, Scottish Government, Sally Thomas, Chief Executive SFHA and Annabel Pigeon, Policy Lead, SFHA to a visit and tour of Greater Easterhouse.

The EHRA tour visited the seven community-based housing associations operating in Greater Easterhouse, the areas regenerated by the private sector and the Wheatley Group and the remaining derelict sites. EHRA members explained the partnership approach that EHRA promotes, including joint training, sharing services, joint procurement, partnership working with agencies and providing support and mentoring for staff and committee members.

The tour included a visit to Easterhouse Sports Centre, a community asset transfer that is working in partnership with EHRA to deliver a range of services for local people.

EHRA (Easterhouse Housing and Regeneration Alliance) is a campaigning organisation in Greater Easterhouse working together to raise awareness of the issues affecting the communities of Greater Easterhouse.
