## Why is it important to review policies?

Outdated policies can leave an organisation at risk. Regularly reviewing policies and procedures keeps our organisation up to date with legislation, regulations, technology and best practice. Policy review ensures that our policies are consistent and effective.

## National Panel of Service Users

The National Panel was established as a way for the Scottish Housing Regulator (SHR) to engage with tenants and other users of social landlords' services. The SHR uses the National Panel to gauge priorities and experiences, and help to shape its focus in its role as regulator of social landlords.

To find out more about the Panel's work or to join the Panel, please contact Engage Scotland by telephoning **0800 433 7212** or emailing **natpan@engagescotland.co.uk**.
