GARDEEN HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31ST MARCH 2017

The Management Committee presents its report and the Financial Statements for the year ended 31st March 2017.

Legal Status

The Association is a registered non-profit making organisation under the Co-operative and Community Benefit Societies Act 2014 No.2326R(S). The Association is governed under its Rule Book. The Association is a registered Scottish Charity with the charity number SCO037681.

Principal Activities

The principal activities of the Association are the provision and management of affordable rented accommodation.

Review of Business and Future Developments

The Management Committee of Gardeen Housing Association continues to follow a prudent approach to the financial affairs of the organisation. The collection of rental income and management of voids remains a key focus for Gardeen Association and performance in this area compares well when measured against our peers. This continues to be a challenge as a consequence of welfare reform and the introduction of universal credit. The Management Committee is also committed to provide a costed programme of planned maintenance and improvements.

The Management Committee retains close control over the financial affairs of the Association and has reviewed investments to ensure that the Association receives the best return for its investment in light of the current low interest rates. The Management Committee consistently reviews the medium and long term financial projections to ensure the viability of the Association. Operating costs are closely monitored by staff, committee and the Finance Agent. A review of the 30 year financial projections took place in 2017.

The Management Committee also monitors the final salary pension scheme and the impact that increased contributions may have on the business of the Association. The Management Committee receive advice and attend training to maintain their understanding of the SHAPS final salary scheme.

The Management Committee has also complied with all Scottish Housing Regulator, OSCR and FCA requirements.

The members of the Management Committee are of the opinion that the state of the financial affairs of Gardeen Housing Association is satisfactory. The surplus for the year is £140,048 and net assets now stand at £1,977,460.

The Association is committed to delivering a programme of planned maintenance and will continue to replace and renew kitchens, bathrooms, heating systems and smoke alarms. This is to ensure that Gardeen Housing Association homes are maintained to a high standard and that the investment in the community is protected.

GARDEEN HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31ST MARCH 2017

Management Committee and Executive Officers

The members of the Management Committee and the Executive Officers are listed on Page 1.

Each member of the Management Committee holds one fully paid share of £1 in the Association. The Executive Officers hold no interest in the Association's share capital and, although not having the legal status of Directors, they act as Executives within the authority delegated by the Management Committee.

The members of the Management Committee are also Trustees of the Charity. Members of the Management Committee are appointed by the members at the Association's Annual General Meeting.

Statement of Management Committee's Responsibilities

The Co-operative and Community Benefit Act 2014 requires the Management Committee to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those Financial Statements, the Management Committee is required to:-

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business;
- prepare a statement on Internal Financial Control.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the Financial Statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2014 and the Determination of Accounting Requirements 2015. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

The Management Committee must, in determining how amounts are presented within items in the income and expenditure account and balance sheet, have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting practices.

In so far as the Management Committee are aware:

- There is no relevant audit information (information needed by the Housing Association's auditors in connection with preparing their report) of which the Association's auditors are unaware, and
- The members of the Management Committee have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Housing Association's auditors are aware of that information.

GARDEEN HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31ST MARCH 2017

Statement on Internal Financial Control

The Management Committee acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within the Association, or for publication;
- the maintenance of proper accounting records;
- the safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial mis-statement or loss. Key elements of the Association's systems include ensuring that:

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association's assets;
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the management team and the Management Committee to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- Quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate
- Regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies.
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Management Committee;
- the Management Committee receive reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

The Management Committee has reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31 March 2017. No weaknesses were found in the internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

Donations

During the year the Association made charitable donations amounting to £710 (2016 - £716).

Auditors

A resolution to re-appoint the Auditors, Alexander Sloan, Chartered Accountants, will be proposed at the Annual General Meeting.

By order of the Management Committee

GARDEEN HOUSING ASSOCIATION LIMITED

REPORT BY THE AUDITORS TO THE MEMBERS OF GARDEEN HOUSING ASSOCIATION LIMITED ON CORPORATE GOVERNANCE MATTERS

In addition to our audit of the Financial Statements, we have reviewed your statement on Page 5 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained in the publication "Our Regulatory Framework" and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements relating to corporate governance matters within Bulletin 2006/5 issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on page 5 has provided the disclosures required by the relevant Regulatory Standards contained within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator, in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through enquiry of certain members of the Management Committee and Executive Officers of the Association, and examination of relevant documents, we have satisfied ourselves that the Management Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls .

Alexander Sloan
Accountants and Business Advisers

We have audited the financial statements of Gardeen Housing Association Limited for the year ended 31st March 2017 which comprise a statement of comprehensive income, statement of financial position, statement of cash flows, statement of changes in equity and related notes. The financial reporting framework that has been applied in their preparation is applicable law and accounting standards of the United Kingdom.

This report is made solely to the Association's members, as a body, in accordance with the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective Responsibilities of Management Committee and Auditors

As explained more fully in the Statement of Management Committee's Responsibilities the Association's Management Committee, is responsible for the preparation of the Financial Statements that give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Financial Reporting Council's (FRC) Ethical Standards for Auditors.

Scope of the audit on the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Association's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Management Committee and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Management Committee's report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of the performing our audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the Financial Statements:

- give a true and fair view of the state of the Association's affairs as at 31st March 2017 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice: and
- have been properly prepared in accordance with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2014 and the Determination of Accounting Requirements 2015.

Matters on which we are required to report by exception

We are required to report to you if, in our opinion:

- the information given in the Management Committee's Report is inconsistent with the financial statements.
- proper books of account have not been kept by the Association in accordance with the requirements of the legislation.
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
GARDEEN HOUSING ASSOCIATION LIMITED**

Matters on which we are required to report by exception (contd.)

- the Statement of Comprehensive Income to which our report relates, and the Statement of Financial Position are not in agreement with the books of the Association.
- we have not received all the information and explanations necessary for the purposes of our audit.

We have nothing to report in respect of these matters.

GARDEEN HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2017

NOTES TO THE FINANCIAL STATEMENTS

1 PRINCIPAL ACCOUNTING POLICIES

Statement of Compliance

These financial statements were prepared in accordance with Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Statement of Recommended Practice for social housing providers 2014. The Association is a Public Benefit Entity in terms of its compliance with Financial Reporting Standard 102, applicable for accounting periods on or after 1 January 2015.

Revenue

The Association recognises rent receivable net of losses from voids. Service Charge Income (net of voids) is recognised with expenditure as it is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government Grants are released to income over the expected useful life of of the asset to which it relates.

Retirement Benefits

The Association participated in the Scottish Housing Association Defined Benefits Pension Scheme. Retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. The Association has moved from the Defined Benefit scheme to the Scottish Housing Association Defined Contribution Scheme.

The Association still has a liability for past service contributions to the Scottish Housing Association Defined Benefit Pension Scheme. The Association provides for amounts that it has agreed to pay towards the Scheme deficit in accordance with paragraph 28.11A of FRS 102. The present value of this liability has been recognised in the Statement of Financial Position. The discount rate applied to this obligation is that of a yield rate for a high quality corporate bond.

Valuation Of Housing Properties

Housing Properties are stated at cost less accumulated depreciation. Housing under construction and Land are not depreciated. The Association depreciates housing properties by major component on a straight line basis over the estimated useful economic lives of each identified component. All components are categorised as Housing Properties within note 12. Impairment reviews are carried out if events or circumstances indicate that the carrying value of the components listed below is higher than the recoverable amount.

Component	Useful Economic Life
Roof	50 Years
Structure	50 Years
Electrics	40 Years
Doors	30 - 35 Years
Windows	30 Years
Radiators	26 Years
Bathrooms	25 Years
Kitchen	15 Years
Boilers	13 Years

GARDEEN HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2017 NOTES TO THE FINANCIAL STATEMENTS (Continued)

1 PRINCIPAL ACCOUNTING POLICIES (Continued.)

Depreciation And Impairment Of Other Non-Current Assets

Non-Current Assets are stated at cost less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of the assets at the following annual rates:-

Office Premises	over 30 years
Office Equipment	20% straight line

The carrying value of non-current assets is reviewed for impairment at the end of each reporting period.

Social Housing Grant And Other Grants In Advance/Arrears

Social Housing Grants and Other Capital Grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which they relate.

Social Housing Grant attributed to individual components is written off to the Statement of Comprehensive Income when these components are replaced.

Social Housing Grant received in respect of revenue expenditure is credited to the Statement of Comprehensive Income in the same period as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

Sales Of Housing Properties

First tranche Shared Ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the Statement of Recommended Practice, disposals of subsequent tranches are treated as non-current asset disposals with the gain or loss on disposal shown in the Statement of Comprehensive Income.

Disposals of housing property under the Right to Buy scheme are treated as non-current asset disposals and any gain or loss on disposal accounted for in the Statement of Comprehensive Income.

Estimation Uncertainty

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Management Committee to exercise judgement in applying the Association's Accounting Policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, are disclosed below:

a) Rent Arrears - Bad Debt Provision

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers tenant payment history, arrangements in place and court action.

b) Life Cycle of Components

The Association estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

c) Useful life of properties, plant and equipment

The Association assesses the useful life of its properties, plant and equipment and estimates the annual charge to be depreciated based on this assessment.

GARDEEN HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2017

NOTES TO THE FINANCIAL STATEMENTS (Continued)

1 PRINCIPAL ACCOUNTING POLICIES (Continued.)

Works to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property.

Capitalisation Of Development Overheads

Directly attributable development administration costs relating to development activities are capitalised in accordance with the Statement of Recommended Practice.

Development Interest

Interest incurred on financing a development is capitalised up to the date of practical completion of the scheme.

Key Judgements made in the application of Accounting Policies

a) The Categorisation of Housing Properties

In the judgement of the Management Committee the entirety of the Association's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

b) Identification of cash generating units

The Association considers its cash-generating units to be the schemes in which it manages its housing property for asset management purposes.

c) Pension Liability

In March 2017 the Association received details from the Pension Trust of the final valuation of the pension scheme at September 2015 and the Pension Trust's estimate of the Association's future past service deficit contributions. The Association has used this to provide the basis of the pension past service deficit liability in the financial statements. The Management Committee feels this is the best available estimate of the past service liability.

Financial Instruments - Basic

The Association classes all of its loans as basic financial instruments. The Association recognises basic financial instruments in accordance with Section 11 of Financial Reporting Standard 102.

The Association's debt instruments are measured at amortised cost using the effective interest rate method

24. RETIREMENT BENEFIT OBLIGATIONS

General

Gardeen Housing Association Limited participated in the Scottish Housing Association Pension Scheme (the scheme).

The Scheme is a multi-employer defined benefit scheme. The Scheme is funded and is contracted out of the state scheme. The Association has since moved to a defined contribution scheme but has a liability for the past service deficit in the defined benefit scheme.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to individual participating employers as the scheme is a multi-employer arrangement where the assets are co-mingled for investment purposes, benefits are paid from the total scheme assets, and the contribution rate for all employers is set by reference to the overall financial position of the scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the period under FRS102 represents the employer contribution payable.

The last formal valuation of the Scheme was performed as at 30th September 2015 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £612m. The valuation revealed a shortfall of assets compared with the value of liabilities of £198m (equivalent to a past service funding level of 76%).

The Scheme operates on a 'last man standing' basis, meaning that in the event of an employer withdrawing from the Scheme and being unable to pay its share of the debt on withdrawal. Then the liability of the withdrawing employer is re-apportioned amongst the remaining employer. Therefore in certain circumstances the Association may become liable for the obligations of a third party.

All employer's in the scheme have entered into an agreement to make additional contributions to fund the Scheme's past service deficit. This obligation has been recognised in terms of Para 28.11A of Financial Reporting Standard 102. At the statement of financial position date the present value of this obligation was £247,000 (2016 - £274,933). This was calculated by reference to the terms of the agreement and discounting the liability using the yield rate of a high quality corporate bond with a similar term. This discount rate used was 1.06% (2016 - 2.64%).

The Association made payments totalling £48,673 (2016 - £42,091) to the pension scheme during the year.
